Subject: Structural Steel, Approved Fabricator – Bridge Components

Dear David:

We have reviewed your request for approval of the AMECO-USA Metal Fabrication Solutions plant in Cleveland, OH. Based on the documentation provided, the plant has been approved for Structural Steel, Approved Fabricator – Bridge Components. AMECO-USA Metal Fabrication Solutions will be added to the Iowa Materials Approved Product List Enterprise (MAPLE), Appendix B of IM 557. To search the MAPLE, please visit "<https://maple.iowadot.gov/>".

The approval may be withdrawn at any time because of deficient test results, product changes, or unsatisfactory field performance.

Please feel free to contact me if you have any questions.

Sincerely,
