Office of Materials Management
1600 West Broad Street
Columbus, OH 43223

AMECO
4600 W. 160th Street
Cleveland, Ohio 44315

August 3, 2016

Attn: Mr. David Perkins,

The Office of Materials Management congratulates AMECO on pre-qualification as a bidding item 513 Structural Member Level UF fabricator. Your company will be listed as prequalified Level UF on the Department's web page. We forward our wishes for your future success in supplying steel components to the State of Ohio.

In order to ship materials to an ODOT project you will need to enroll in the Department's TE-24 Virtual Warehouse system. If you have already enrolled in the Department's Virtual Warehouse then no additional steps need to be taken. You may find information concerning the Virtual Warehouse and application requirements at the following internet address:

<http://www.dot.state.oh.us/Divisions/ConstructionMgt/Materials/Pages/ODOT-Virtual-Warehouse.aspx>

If we can be of any assistance, please contact me at 614-466-4082 or fax to 614-275-1354.

Respectfully yours,

A handwritten signature in cursive script that reads "Jeff Chandler".

Jeff D. Chandler, P.E.
